

jetStamp 1025

**** NOW **** Printing options of up to 2 inches with corresponding accessories • 100% mobile • Large imprint area • Ideal for small and large objects • Display guided operation • Large imprint memory • Max. print size: 85 x 25 mm (W x H) = 2 inch with corresponding accessories

THE ALL IN ONE SOLUTION

The large one: The mobile marking device *jetStamp 1025* is the **ideal solution for printing on large areas**, such as pallets, cardboard or packaging.

Entirely **without cables** or a fixed location, the *jetStamp 1025* can be used where it is needed. Integrated capping to seal the **print head keeps ink from drying out** even with longer breaks between uses.

The *jetStamp 1025* makes work easier in many ways. The **integrated display** shows the set print image easily legible at all times.

The print images can be **transferred** to the mobile marking device **by Bluetooth or USB**.

With its **integrated multi-triggering**, placed both on the side and at the centre of the handle, the device can be **handled ergonomically and comfortably**.

NEW: Printing options up to 2 inches

We have expanded our printing technology! You can now print impressions of up to 2 inches with our new accessories.

- **SPIKES with metal spike:** Perfect for wood and rough surfaces. These spikes provide a firm hold and precise prints. [Learn more](#)
- **ADHESIVE COATING for smooth surfaces:** Ideal for smooth surfaces, ensures clean and clear impressions. [Learn more](#)

Expand your possibilities and print larger impressions with maximum precision!
